
How "green" is your green thumb?

Discover environmentally-friendly landscaping at two FREE seminars on Saturday, March 19.

Plan to attend one or both of our free seminars Saturday, March 19, at the Brookhaven College Performance Hall (Building "C"), 3939 Valley View Lane, Farmers Branch 75244. For directions, go to www.brookhavencollege.edu/maps.

Landscape designer and author Bonnie Reese will be the speaker at both sessions. The first 100 attendees at each session will receive a copy of Ms. Reese's book, "Common-Sense Landscaping." Attendees can also enter a drawing for a free 60-gallon rain barrel at the end of each session donated by CatchTheRain.com. Also, there will be 6 drawings to give away a bag of Green Sense organic fertilizer from Rohde's Nursery & Nature Store (www.BeOrganic.com).

Making a reservation

Space is limited, please register online at SaveDallasWater.com or by calling 214/670-3155. Let us know which seminar(s) you would like to attend, and how many will be attending in your group.

Water-Wise Landscape Design 101

Saturday, March 19 • 9:00 a.m. to 12:30 p.m.

Whether you have a new landscape or plan to update an existing area, it is critical to begin with a good design. This program teaches the principles of landscape design with an emphasis on how to create a beautiful landscape that will save resources - natural and financial!

Fantastic Plants for North Texas

Saturday, March 19 • 1:30 p.m. to 5:00 p.m.

Using colorful photographs, Bonnie demonstrates the natural beauty of native and adapted plants that thrive in the North Texas region. Learn when, where and how to plant each of the recommended plants, their size and height at maturity, seasonal color, texture and more. This program provides information on trees, shrubs, vines, perennials, groundcovers and turf grasses

Already using Water-Wise principles?

Enter your landscape in the 2011 Water-Wise Landscape Tour. For more information, go to SaveDallasWater.com or call 214/670-3155.
