

Rudbeckia hirta (Black-eyed Susan)

Come see how beautiful using less water can be!

Join us on the **FREE 20th annual Water-Wise Landscape Tour**
Saturday, June 7, 2014 • 9 a.m. to 3 p.m.

Adentro en español

City of Dallas Water Utilities, City of Dallas Stormwater Management, City of Dallas Park & Recreation, Texas A&M AgriLife Research & Extension, and the Dallas County Master Gardeners are teaming up to demonstrate the beauty of Water-Wise landscaping and EarthKind™ gardening with the 20th annual Water-Wise Landscape Tour.

Dallas County Master Gardeners will be conducting free 30 minute talks on Water-Wise gardening every hour on the hour at each of the tour headquarters. Dallas County Master Gardener volunteers will also be assisting homeowners and helping answer questions about the plants and landscapes on the tour.

On June 7, between 9 a.m. and 3 p.m., the first 100 visitors at each of the three tour headquarters will receive a free hose nozzle. For more information, visit SaveDallasWater.com or call the Water Conservation Hotline at 214-670-3155 Monday-Friday 8 a.m. - 5 p.m.

Maps for the self-guided tour are available at SaveDallasWater.com and at all tour headquarters.
