

This Holiday Season, Give Yourself the Gift of...

A FREE high-efficiency toilet

The City of Dallas offers free high-efficiency toilets through its “New Throne for Your Home” program.

A FREE irrigation system check-up

You can save hundreds of dollars per year on your water bill by having one of our licensed irrigators perform a free check-up of your sprinkler system.

FREE assistance with minor plumbing problems

With the “Minor Plumbing Repair” program, we can help you reduce water waste and save some money, if you meet certain guidelines.

FREE seminars to learn about using water more efficiently

You can learn everything you need to know about saving water inside and outside your home by attending our numerous educational seminars/workshops.
