

# Save Water & Money with Common Sense Landscaping

Learn how at two **FREE** landscaping seminars on Saturday, March 19.

Columbine

Adentro en español

Plan to attend one or both of our free seminars Saturday, March 19 at the Texas A&M AgriLife Research & Extension Center Auditorium (Building E), 17360 Coit Road, Dallas 75252. For directions, go to [dallas.tamu.edu](http://dallas.tamu.edu).

Landscape designer and author Bonnie Reese ([BeautifulLandscapes.net](http://BeautifulLandscapes.net)) will be the speaker at both sessions. First-time seminar attendees at each session will receive a copy of Bonnie's book, "Common-Sense Landscaping" (limit one per household). Also, attendees can enter drawings to win free bags of *Green Sense* organic fertilizer from Rohde's Nursery & Nature Store ([www.BeOrganic.com](http://www.BeOrganic.com)).

## Making a reservation

Space is limited, please register online at [SaveDallasWater.com](http://SaveDallasWater.com) or by calling (214) 670-3155. Let us know which seminar(s) you would like to attend, and how many will be attending in your group.

## Water-Wise Landscape Design 101

**Saturday, March 19 • 9:00 a.m. to 12:30 p.m.**

Whether you have a new landscape or plan to update an existing area, it is critical to begin with a good design. This program teaches the principles of landscape design with an emphasis on how to create a beautiful landscape that will save resources - natural and financial!

## Fantastic Plants for North Texas

**Saturday, March 19 • 1:30 p.m. to 5:00 p.m.**

Using colorful photographs, Bonnie demonstrates the natural beauty of native and adapted plants that thrive in the North Texas region. Learn when, where and how to plant each of the recommended plants, their size and height at maturity, seasonal color, texture and more. This program provides information on trees, shrubs, vines, perennials, groundcovers and turf grasses.
