City of Dallas Water Utilities, City of Dallas Park & Recreation, and the Dallas County Master Gardeners are teaming up to demonstrate the beauty of Water-Wise landscaping and EarthKind™ gardening with the 22nd annual Water-Wise Landscape Tour.

This year's tour is highlighting residential landscapes in east Dallas, as well as several school demonstration gardens in southern Dallas.

Dallas County Master Gardeners will be holding free talks on WaterWise gardening at the tour headquarters and at Cochran Elementary School. Dallas County Master Gardener volunteers will also be assisting homeowners and helping answer questions about the plants and landscapes on the tour.

On September 17, between 9 a.m. and 1 p.m., the first 500 visitors at the tour headquarters will receive a free hose-end spray nozzle. For more information, visit [SaveDallasWater.com](http://SaveDallasWater.com) or call the Water Conservation Hotline at 214-670-3155 Monday-Friday 8 a.m. - 5 p.m.

Maps for the self-guided tour are available for download at [SaveDallasWater.com](http://SaveDallasWater.com) and the tour headquarters.

### Tour Headquarters

Ridgewood/Belcher Recreation Center  
6818 Fisher Road, Dallas, TX 75214

### School Demonstration Gardens in Southern Dallas
