

# Learn Composting

FREE Water Conservation Workshop  
from Dallas Water Utilities

## Call for Entries Water-Wise Tour

### Composting Workshop

Saturday, June 10, 2017

10:00 a.m. - 12:00 p.m.

Richland College • Wichita Hall, Room 103  
12800 Abrams Road - Dallas 75243

Is your trash can full at the end of the week? Did you know that you can reduce the waste carried to landfills by composting more and throwing away less? This program teaches the composting process, the different types and methods of composting, as well as how to compost and its importance. Plan to attend the workshop!

Daniel Cunningham, a horticulturist with the Water University of Texas A&M AgriLife in Dallas will be the instructor.

The workshop will be held in Wichita Hall, Room WH-103. Parking is available in Lots C and D on the west side of the campus (entrance from Abrams Road).

Dallas Water Utilities

Water-Wise Landscape Tour

Saturday, October 14, 2017

Dallas Water Utilities is now accepting entries for inclusion in its 2017 Water-Wise Landscape Tour. The tour educates area residents on how to conserve water in their landscapes through the use of drought-tolerant native or adapted plants that require little supplemental watering.

Entries are open to all Dallas Water Utilities customer landscapes (located within Dallas city limits). Winning entries will receive prizes from tour sponsors and will be selected based on the following judging criteria:

- Design
- Water Conservation
- Appropriate Maintenance

### Submitting Calls for Entry Deadline: August 18, 2017

Entries can be filled out online or entry forms downloaded at [SaveDallasWater.com](http://SaveDallasWater.com). A minimum of three recent landscape photos must be uploaded or included. For more information call (214) 670-3155.
