

February 6, 2023

Dear Dallas educator,

We are so excited to reach out to you regarding the **2023 Water Conservation Art Contest** sponsored by the City of Dallas Water Conservation program.

This is a long-standing program that for over 35 years has celebrated water conservation efforts through art. After a pause due to the pandemic, we are back and hope to see some amazing creativity from students in Dallas. Contest information is attached along with submission forms for the **2023 Water Conservation Art Contest**.

Our 2023 theme is **The Power of Every Drop**, to focus on the vitality of water in our lives, and ways to be good stewards of water at home, school, and play. The contest term is **February 6, 2023 – March 24, 2023**. It engages all students from grades 1 to 12. Students must be residents of Dallas. Plus, there are giveaways for teachers and students such as a \$200 art supply voucher for teachers with a winning 1st place student, plus classroom pizza parties!

The 2023 Water Conservation Art Contest Categories are:

- Grades 1 to 5 - Poster
- Grades 6 to 8 - T-Shirt
- Grades 9 to 12 - Visual Arts
- Grades 9 to 12 - Digital Arts

Please review the information and share with your students. If you have any questions, contact us at contests@savedallaswater.com. We look forward to seeing your students' work for the **2023 Water Conservation Art Contest**.

Thank you for your time and the education you provide our students in Dallas.

Sincerely,

Carlos Evans, Director
Office of Environmental Quality & Sustainability
City of Dallas
